

Wixon

JEWELERS

Job Description

Wixon Jewelers is seeking an experienced craftsman whose superior level of talent is only superseded by their relentless creativity. Apply now to pursue a brilliant career in jewelry design and repair with the Midwest's premier jewelry store. Use your talent to design stunning, one-of-a-kind, custom jewelry and restore jewelry to its original magnificent beauty.

The right person will join our talented in-house team of custom jewelers and goldsmiths. You will be working alongside and learning with four master jewelers, with over 85 years of experience. This is a wonderful opportunity for someone with excellent bench skills to enjoy the fruits of their labor in a fun and exciting work environment.

Position Responsibilities

Extensive experience with diamond pave and exotic gemstone setting, engraving/bright cutting, designing and counter sketching, metal fabrication, polishing, wax carving and working with the public. Candidates will be required to work a flexible schedule based on business needs that can include evenings and Saturdays.

About Wixon Jewelers

Since 1988, family-owned Wixon Jewelers has been a leader in the fine jewelry and high-end watch marketplace, and has earned an excellent reputation in the industry. Today, due to continued growth and enduring success, Wixon Jewelers is on the cusp of expanding into the largest single jewelry retailer in the USA. If you have the drive and desire to succeed with a premier company, you're the perfect example of whom we want for our team.

Benefits

We recognize people as our most valuable asset. Our competitive salary and benefits package includes 401K, excellent medical and dental insurance, employee discount, and paid vacation.
